Terms and Conditions

Enrolment Conditions

- Arise Academy reserves the right to refuse your enrolment in the interest of your welfare, the welfare of other learners, or Arise Academy as a whole.
- Once your application for enrolment has been received and processed, you will be sent an “Offer of Place” along with an invoice for fees. You must accept the Offer of Place by signing and returning a copy of the offer to Arise Academy. Each page of the offer must be signed or initialled by you.
- Your acceptance of the Offer of Place, payment of fees, and receipt of your Work Visa and/or Variation of Conditions entitles you to enrol in the programme stated in the Offer of Place. If you do not meet the conditions, or if the offer is not confirmed, you will not be able to enrol.
- You are required to complete the specified programme work hours and maintain a completed Workplace Skills Record as part of your enrolment and graduation requirements.
- If you receive any convictions (including traffic convictions) while studying at Arise Academy, you must inform Arise Academy in writing within five working days.
- If, after commencing your studies, you request to change to a different programme of study, you must seek advice directly from Immigration New Zealand regarding the implications this change may have on your visa status.
- If you wish to change the agreed period of enrolment, you must provide written notification of the new dates to Arise Academy at least seven days before the original commencement date or the new commencement date, whichever is sooner.
- You must meet all of the requirements for your chosen mode and programme of study and abide by Arise Academy’s rules for the duration of your enrolment.

Visas

- Your enrolment at Arise Academy is conditional upon obtaining a valid Work Visa and/or a Variation of Condition that enables you to live and study in New Zealand. Arise Academy can refer you to a licensed immigration advisor or recruitment agent if assistance is required.
- The Offer of Place from Arise Academy does not guarantee that you will be granted a Work/Visitors Visa and/or Variation of Condition to allow you to study.
- You are responsible for meeting all conditions related to your visa.
- Arise Academy does not accept responsibility for the visas of your partner/spouse or dependent children.
- It is your responsibility to ensure that Arise Academy receives a certified copy of your Work/Visitors Visa and/or Variation of Condition, including any conditions contained within that visa, prior to your start date. E-visas can be provided if they are forwarded directly from Immigration New Zealand.

Payment of Fees

- Your invoice is valid for three months. Any variation to these terms of validity is at the sole discretion of Arise Academy.
- The tuition fees listed in your Offer of Place are those in effect at the time the offer was made. Fees are updated each calendar year, and all offers lapse as of 1 January to reflect the new fee structure.
- If you are re-enrolling, the new tuition fees for the current calendar year will apply.
- Course fees must be paid within 21 days of the invoice date, at least five working days before the start of your study programme, or immediately upon enrolment—whichever is sooner after your acceptance into Arise Academy has been confirmed. If fees are not received by this time, Arise Academy reserves the right to withdraw your Offer of Place.
- Any course fees you pay in advance to Arise Academy are held in a Trust Account maintained by the Public Trust, an approved independent trustee owned by the Crown and managed by the New Zealand Government. This arrangement is accepted by the New Zealand Qualifications Authority (NZQA) as meeting the requirements of the Education and Training Act 2020 and the NZQA Student Fee Protection Rules 2022.

Fees are remitted to Arise Academy from the Trust Account periodically in accordance with NZQA's Fee Protection Rules.

Withdrawals and Refunds

- You may request a refund of your tuition fees at any time prior to or during your enrolment, in accordance with the Arise Academy Withdrawal and Refund Policy.
- As an international learner, if you withdraw from your programme before it starts, you will receive a full refund minus 25% of the course fees. If you withdraw within the first 10 working days of the course commencement, you are entitled to a full refund minus 25% of the course fees. No refund is available if you withdraw from a course after the 11th day.
- You may apply for a refund on compassionate grounds after the statutory refund period, as stipulated in the *Education (Refund Requirements for International Students) Notice (2012)* under the *Education and Training Act 2020*. In such cases, you must submit full documentation in writing to the Registry. Approval of refunds on compassionate grounds is solely at the discretion of Arise Academy.
- Arise Academy reserves the right to withdraw you from study if your academic progress is deemed unsatisfactory.
- If you withdraw or are withdrawn from study, Arise Academy will notify Immigration New Zealand if you have been issued a Variation of Condition for your Arise Academy programme.

You will have the opportunity to attend an explanation interview, and you are encouraged to have a support person present. Arise Academy reserves the right to suspend you from your studies immediately while the investigation is conducted.
- The findings of the investigation will be reviewed by the Arise Academy Programme Board, which will decide whether you have breached the expectations of learner conduct. If a breach is confirmed, a penalty will be determined.
- Penalties for breaches of learner conduct may include non-achievement of assignments or courses, temporary withdrawal from your programme of study, or permanent withdrawal from Arise Academy. Where appropriate, breaches of learner conduct may be referred to external agencies in accordance with the Privacy Act.
